WM BW Blank cable marker

Info

• Marking pens available in the web catalogue

Technical data

◆ **Classification ETIM 5/6**
ETIM 5.0/6.0 Class-ID: EC001288
ETIM 5.0/6.0 Class-Description:
Labelling material

Material
Vinyl strips, silicone-treated lining, halogen-free

Temperature range
-35°C to +70°C

Benefits

• Wrapping label with protective foil
• When the cover is applied onto the cable, the transparent foil covers the writing area, thus protecting it against abrasion, humidity, oil and light solvents.
• Easy to label

Application range

• For cable marking
• The designations can be written with a pencil, a ballpoint, pen, or other marker on the white writing area
• Indoor applications
