Color: ■ white

### Technical data

|                             |                                    |
|-----------------------------|------------------------------------|
| Marking method              | Thermal transfer                   |
| Marking                     | 1 ... 10                           |
| Marking (number)            | 10                                 |
| Marking direction           | Vertical marking                   |
| Marking color               | black                              |
| Marking type                | Numbers                            |
| Marking differentiation     | Consecutive numbers per strip      |
| Delivery form               | Marker card                        |
| Delivery form configuration | 10 strips with 10 markers per card |
| Flammability class per UL94 | V2                                 |

### Physical data

|                    |              |
|--------------------|--------------|
| Marker/strip width | 5 ... 5.2 mm |
| Marker width       | 5 mm         |

### Mechanical data

|                  |                 |
|------------------|-----------------|
| Smear resistance | EN 60998-1:2004 |
|------------------|-----------------|

### Material data

|               |                               |
|---------------|-------------------------------|
| Color         | white                         |
| UV resistance | EN 60068-2-5:2010 Procedure B |
| Halogen-free  | Yes                           |
| Weight        | 8.5 g                         |
| Fire load     | 0.256 MJ                      |

## Commercial data

|                       |                                |
